Registration deadline: 6th October 2020

About France

❖ France has always been a favorite destination for scientists, managers, engineers, thinkers, artists and writers from all over the world, and many have made it their home.

❖ The world's sixth-largest economy, France is also the third most popular destination for international students.

French Offers

✓ **France offers heavily subsidized tuition fees and housing for foreign students and Govt. of France do not discriminate between French and non-French students.**

✓ **The French Govt. offers scholarships worth over 1 million euros or 10 crore rupees to Indian students and more than 500 scholarships are awarded every year.**

✓ **France is also offering post study visa for a period of 2 years and 5 year alumni visa to the Indian students.**

Campus France Website

Campus France India's website features extensive information on how to study in France (including information on applications and student visas), French degrees and training programs, a searchable directory of the 1200 courses programs taught in English, as well as a wide array of useful tips.
